

The Visteon 1C24-11000-AA *Fig.1* Off Set Gear Reduction model was the original starter for this application.

*Fig.1* 1C24-11000AA

Additional Option:

The Nippondenso model *Fig.2* might have been used as a replacement alternative to the above Visteon model.

*Fig.2* 228000-8420
