

**Application: Application: Aplicación:**

Ford Thunderbird | Lincoln LS from 2002 | Jaguar S Type

**Location of cabin filter:**

On the passenger side of the vehicle in front of the windshield under the cowl vent screen.

**Tools:**

Standard screwdriver

**To remove existing filter:**

1. Open hood and locate the leaf screen panel on the passenger side of the cowl.
2. Using a standard screwdriver locate and pop out the six snap-on fasteners that secure the panel in place. Please note that one of the fasteners is located on the upper left side of the panel near the base of the hood hinge.
3. Once all fasteners are removed gently remove the leaf screen.
4. Unlatch and open the hinged lid under the panel.
5. The dirty filter is now visible remove the dirty filter and replace with clean filter.
6. Complete installation by reversing the procedure.
